

# Seasonal Evapotranspiration

Fine-textured soils, May through October

Based on weather data collected from 1961-1990.

Data supplied by ClimateSource, Inc. ([www.climatesource.com](http://www.climatesource.com)) following Daly et al., 1998, and processed by the Homer Nowlin Chair at Michigan State University and the Michigan State Climatology Program.

Maps produced at the Michigan State University Center for Remote Sensing and GIS.
