

Dear Grandma,

I appreciated the loaf of delicious nut bread you sent to me. I was very sorry to hear that that you hurt your head and I hope that you are better.

I've been pretty busy this week with exams as it is midterm already. The term will ~~be~~ end the 22 of March and start the Spring term on the 3rd of April. Boy how the week fly up here, it won't be long before I'll be home again.

Sucille tells me she is only going to have 3 days for her vacation at Easter so I will not see her while I'm at home.

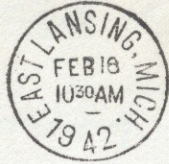

I think I'll have a piece of the bread now. So I'll say so-long
